

To The Family who saved my life. I would like
to thank you with a great big heart for giving
me a brand new life. I have struggled all of my life
and you have given me, my two children, and my family
closer. If you like I would like to one day thank you
in person. Thank you very very very much I can't
say how much you have helped change my life.
In fact great moving great and just trying to set a
Civil Service Job which will also change my life.

I thank my God
every time I remember you.

Philippians 1:3

Dear Parents,
We, the parents first want to say that we are
very sorry for your loss. We cannot imagine what
it is to lose a child we greatly appreciate your
decision to donate an organ. This has changed
our son's life. He is a deficient person with a
hope for his future. Once again we are profoundly
...more than prayers could express, grateful to you.
more than words could ever say. Mr. & Mrs. Everett

Bless Your Heart Charles, Michael & Everett J
